NOTE: As this is a legal document, we can only accept original signatures in ink for issuance of certifications. Applications submitted with photocopied, faxed or pencil signatures will be returned for re-signature.

Mail completed application, documentation and application processing fee to the Austin office.

Allow at least 30 to 60 days for the Austin office to process applications. Although applications may be issued prior to the 30-day point, frequent requests for status updates slows the Certification Department's ability to process applications in a timely manner.
