PLEASE SHARE AND SEND THIS ANNOUNCEMENT TO OTHER FORMER INSTRUCTORS

July 2, 2010

To: All Current & Former Guest Instructors

Dear Friends,

Like you, I have made many life-long friends over the many years while serving as a guest instructor at our annual fire school. Just as importantly, through those friendships, many of us instructors have cherished countless fond memories of our experiences with retired and former instructors who either retire or move on to other endeavors in their lives. As Chief of the Fire School, I always desired to have some way of getting these former instructors back to our school somehow and pay our respect to them in a meaningful and time certain way. Many of them have expressed to me they wanted to come back, but just did not know when, where or how they could meet and visit everyone.

To my delight last year, I was made aware that guest instructor Roger Smith (retired Plano FD) was working hard to establish some type of reunion for retired and former guest instructors. Roger invited me to a reunion planning meeting at that time with other like-minded guest instructors. The desire was to make this a reality in 2010. After working with Roger and his cohorts, I am extremely happy to send this reunion announcement to you.

Unfortunately, as retired and former instructors leave the school, we have no effective way of keeping up with where these folks move or settle to. So, the organizers need your help in two ways:

1. Please pass this announcement on to any of the retired or former instructors whom you have contact information. We want to get the word to everyone the best we can and we would hate to miss someone!
2. While you are at the main instructor meeting on Saturday (July 24), try and take a moment to visit with any of the retired/former instructors who come to this reunion. They will actually be meeting in a different building from the main instructor meeting. Hopefully, you will have a chance to meet with some of them right before/after the main instructor meeting, during lunch, or perhaps later that afternoon at the "*Gathering & Social Party*" as outlined in the attached flyer.

Please know there is no cost fee to any of those attending and all friends and family of those retired/former instructors are invited. The organizers have designed this in such a way that the reunion is a one day "come & go" whereby these instructors of yesteryear can come at anytime and leave at anytime.

We are hopeful that this will be the beginning of something very special to all us. I know this will be a tremendous amount of fun and something very meaningful to our retired/guest instructors. Thank you in advance for supporting this wonderful endeavor!

Chief Les B.
