FIRE FIGHTERS' PENSION COMMISSIONER

December 4, 2009

TO: All Volunteer Fire & EMS Departments Statewide  
FROM: Texas Emergency Services Retirement System  
RE: TESRS BENEFITS TOUR 2010

The Office of the Fire Fighters' Pension Commissioner is pleased to invite you to the Pension Tour 2010. This tour will provide an overview of the agency and its operations to volunteer departments statewide who are not members of the pension system. This is a great opportunity for city administrators and fire department local board trustees to receive a personal introduction on what the Texas Emergency Services Retirement System offers volunteer emergency service departments.

For departments currently enrolled in the pension system, this will provide a great opportunity to receive personal, hands-on training on how to use the FFPC Online Database. There are many new features, tools, and shortcuts that will surely benefit the department in use of the online system. We encourage at least one member from each participating department to attend. Come join us and find out more about the benefits the system has to offer. **Please RSVP via (800)919-3372 today.**
