

Monitronics International offers as a courtesy to all of our country's "first responders" including SFFMA members, a large discount on alarm monitoring for their personal residences.

The monthly charge for this service is **\$10.00 per month** with a 12 month contract.

Monitronics International is the 4th largest security company in the nation and is located in Dallas, Texas and has a customer base of nearly 500,000 accounts, nationally. Our division handles all government facilities and corporate sites including the Department of Homeland Security, Federal Air Marshals, U.S. Congress Representatives, as well as Hunt Oil, Tuesday Morning Stores, and Wendy's.

If you are interested please contact Michele S. Ballard @ (800) 232-1490 ext 7042 or email at: mballard@monitronics.com

Some details on this offer:

Panel Conversion: If Monitronics is able to "dial" into your existing alarm system and download all data, and place your system on-line there is **no charge**.

Panel Conversion: If Monitronics is unable to "download" your panel into our system, it will necessitate a service call to replace the panel. In almost all cases this is not required. If a new panel is required:

- Panel costs vary from \$90.00 - \$200.00, depending on the homeowners needs, so the charge is for parts plus labor, usually 1 1/2 hours to replace the panel. Service is at \$75.00 per hour and is billed in increments of 1/2 hours after the first hour.

If you need a new alarm system, here's a great offer:

V15PMPTK – Includes 6 zone control panel, 6150RFMT fixed English keypad with receiver, 1321 16.5v plug in transformer, 467 Back up battery, Wave 2 Siren, Aurora PIR, 620 Cord, 621 RJ31X, 3 surface mount contacts, and includes 4 hours labor for installation. **\$525.00**

* Please Note: it is the responsibility of the homeowner to obtain alarm permit(s) if your jurisdiction requires them.
